

# JOE CAMILLERI: AUSTRALIA'S MALTESE FALCON

a feature length documentary

Joe Camilleri: Australia's Maltese Falcon is a new feature length documentary that traces Camilleri's Maltese background and the rise from Jo Jo Zep & The Falcons to The Black Sorrows through to present day, which includes the making of The Black Sorrows' stunning collectors edition of the Crooked Little Thoughts 3CD, 78 page book set.

Featuring over 35 songs, from early days of Jo Jo Zep And The Falcons to present day Black Sorrows including the hits, such as Harley And Rose and Chained To The Wheel. With rare concert footage from many aspects of Camilleri's exciting music career, plus indepth interviews with family and friends.

This is a fascinating and intimate portrayal of the man and his endless passion for music. Out Now.
